

WHAT OTHERS ARE SAYING

Stafford Motor Speedway knows that the best advertisement is what other people say about you. Team Stafford works hard to provide the best in family fun, excitement and entertainment, while meeting or exceeding our speedway guests' expectations. Here are a few referrals which we are proud of.

"We made a conscious decision to get involved with the most professionally run race track in the Northeast, and that is Stafford Motor Speedway."

-Rich Pallai, Vice President of Marketing CARQUEST Auto Parts

"We know that Stafford Motor Speedway is a jewel in Connecticut, offering race fans the chance to see NASCAR racing at its best. I've seen the famous Brickyard, I've been to Loudon, but I have to tell you there's something truly special about Stafford."

-Jodi Rell, Governor of the State of Connecticut

"As an announcer at a 1950 big-car race on what was then a dusty, county-fair dirt track, the transformation of this raceway by the Arute family into one of the nation's most beautiful speedways was a delight to behold."

-Chris Economaki, Editor, National Speed Sport News

"Our partnership with Stafford Motor Speedway has grown to be our biggest and best form of advertising. Village Springs strongly recommends advertising with Stafford Motor Speedway and one of its many, highly visible race teams."

-Sean Cassells, Village Springs Corporation
