

2020 Track Rental Policy

6- Team Maximum Per Test Session

Due to Covid-19

Due to State and Federal restrictions, we are limiting the number of personnel per team for the 2020 Spring private tests. Each team is restricted to a maximum of 5 people including driver for the allotted test period. We are asking for cooperation from the race teams and crews members to follow this guideline to allow for the private test to take place. Please have your teams stay within the area of the car they will be working on.

Guidelines:

- 1) If you are sick please stay home.
- 2) If you have been exposed to someone with Covid-19 please stay home
- 3) If you are in a high risk category, please consider staying home. Per CDC guidelines, high risk is:
 - People 65 years and older
 - People who live in a nursing home or long-term care facility
 - People of all ages with underlying medical conditions, particularly if not well controlled, including:
 - People with chronic lung disease or moderate to severe asthma
 - People who have serious heart conditions
 - People who are immunocompromised
 - Many conditions can cause a person to be immunocompromised, including cancer treatment, smoking, bone marrow or organ transplantation, immune deficiencies, poorly controlled HIV or AIDS, and prolonged use of corticosteroids and other immune weakening medications
 - People with severe obesity (body mass index [BMI] of 40 or higher)
 - People with diabetes
 - People with chronic kidney disease undergoing dialysis
 - People with liver disease
