Give your team a night they actually talk about Monday morning. Stafford hosts corporate and company outings for groups from 25 up to 1,000 — discounted tickets, catering, and a real NASCAR short-track race night.

Ideal for: summer company parties · team building · client entertainment · employee appreciation · HR / office manager events

What's included

- Group ticket discounts — Published rates for 25–250; custom pricing for 251–1,000
- Catering — Fairgrounds Banquet / luxury box menus available
- PA welcome — Your company name announced over the public address system
- Options — Trackside Sky Boxes · reserved hospitality areas · add-ons by request

General admission does not guarantee your group sits together — ask about seating / area options for larger parties.
