

Race Team Responsibility Awareness Agreement

June 18, 2020

Subject:

Notice to race teams competing at Stafford Motor Speedway during the 2020 season

We are excited that the State of Connecticut has given us the opportunity to begin the race season and have worked extensively with the State, local town administration, and local health officials to develop a plan. We ask that team owners and drivers take responsibility for the actions of all team members as your cooperation is necessary to move forward. Please review the responsibilities listed below, print, sign, and return to Stafford Speedway tech officials when completing the mandatory safety inspection.

Race team drivers and owners are responsible to ensure their team members abide by Stafford Speedway's Covid-19 Safety policies including but not limited to:

- Ensure all team members abide by the Stafford Speedway mask policy.
 - Mask required at all times except when in your team pit stall or seated in the grandstand area.
- Ensure all team members respect physical distancing when possible.
- Ensure all team members adhere to and respect any safety requests made by Stafford Speedway officials.
- Provide team members with hand sanitizer and/or disinfectant within their trailer and pit stall.
- Ensure cleanliness of trailer and pitstall (when possible).
- If a member of the team is sick, has tested positive for Covid-19 or has underlying medical conditions that put them at high risk, it is the responsibility of the team owner/driver to direct team member stay home.
- If a member of the team has traveled to a high-risk area it is the responsibility of the team owner/driver to direct team member stay home.
